

## 2021 Outlaw Volleyball Club Summer Camp/League

The Outlaw Volleyball Club Summer Camp/League is a five-week summer program where incoming and current high school players participate in professionally structure camp/league competition to prepare for the upcoming season. This valuable experience is recommended by the high school coaches as a means to keep the players' volleyball skills in top form. It is also an excellent opportunity for incoming freshmen to get a taste of high school ball. This league will handle two leagues of 6 teams in each league. One league will play on Monday and Wednesday nights and the other league will play on Tuesday and Thursday nights. Certified coaches will be provided to work with all teams during competition and will give skill technique instructions prior to each match as well as structured communication during completion covering both offense and defense situations.
